

# LOOK AT A LIZARD

The diagram shows the parts of a lizard. Look at the diagram. Then answer the questions below.

**Tokay gecko**

**1.** What does the lizard use to see?

---

---

---

**2.** How many toes does the lizard have?

---

---

---

**3.** What part of the lizard can break off and grow back?

---

---

---

**4.** What part of the lizard sticks to surfaces?

---

---

---

**Bonus:** A tokay gecko has gray skin and reddish-brown spots. Color the lizard.
